Window Options:

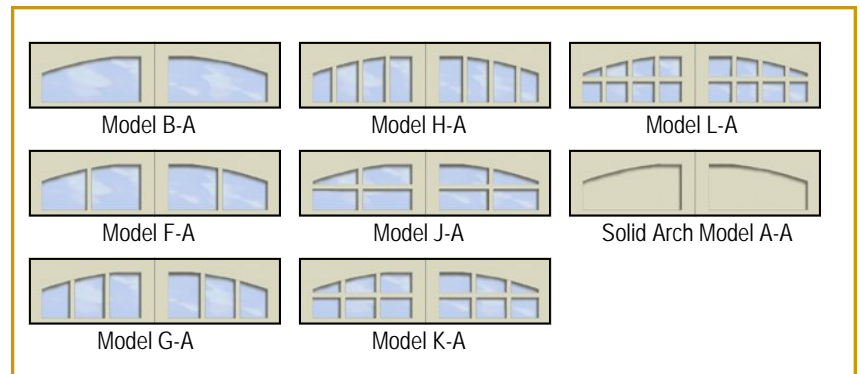

Homestead Series Model 44-L8

Square Window Designs:

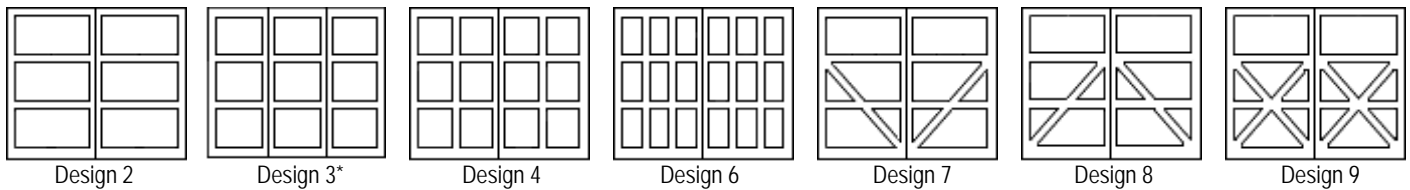

Traditional Series Model 42-K7-A

Arched Window Designs:

Windows Designs come with True-Divided Lites as shown in either arched or standard designs.

Designs Options: (We can also produce doors in custom sizes & designs, including swing-out & slide-by doors. Contact customer service for details.)

*Design # 3 (3 panel wide doors) require special window sections. Visit our website or contact our customer service department for all 3 panel window design options.

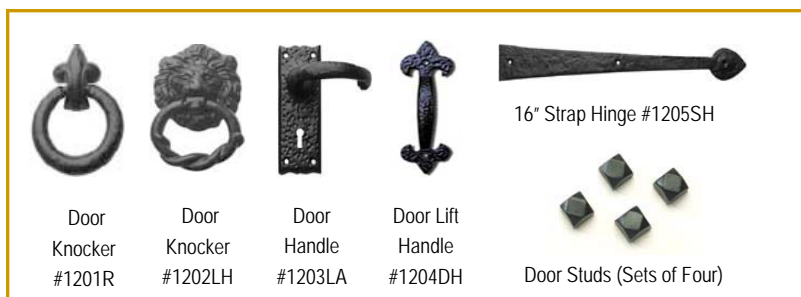

Panel Options: Hardboard, Lauan, Breckenridge, MDO-Smooth or Shallow Grooved, Cedar V-Grooved, Cedar, Hemlock or Redwood Raised or Flat Panels.

Rail Option: Doors come standard with finger-jointed rails. Clear rails & stiles are available in either Hem-Fir or Cedar and recommended if staining the door.

Insulation Option: Most models are available with optional insulation. Option includes stain grade, Lauan back-cover with polystyrene interior core.

Finishing Options: Custom Color Staining using Skikkens™ Staining Systems is available in a wide range of colors. Doors can also be factory primed.

Decorative Hardware Options:

Decorative Glass Options:(additional designs also available)
